## Falling In Love Will Kill You

**\*\*A/N:** Recently I've been obsessed with the song "Falling In Love [Will Kill You]" by Wrongchilde featuring Gerard Way, and I've had it on repeat the whole time I've been writing this short fic. As soon as I heard it, I knew it was perfect to write for the Ladynoir shipping. So I hope you enjoy this short little fic!\*\*

**\*\*Disclaimer:** I don't own Miraculous, all rights go to Zagtoon.\*\*

**\*\*Bonsoir:** Good evening \*\*

**\*\*Salut:** Hi\*\*

Adrien was sure he was okay, he was fine. Yeah, he just became Chat Noir. He looked to his Kwami, Plagg.

"I feel really weird Plagg, Ladybug... She's amazing, I don't know what's happening." He sighed, admiringly.

Plagg sighed exasperatedly. "You're in love with her, I get it!" Adrien's eyes darted to Plagg.

"What?!"

"I prefer cheese, though. Because you falling in love will be the death of you."

"Then what do I do?! I can't get her out of my head! She's so quick

thinking, brave, beautiful, sweet, I can go on." He smiled at the thought of his new crush. "I wanna tell her!" He said abruptly.

"You idiot..." Plagg muttered, throwing cheese in the air. "Listen, you fool, you are in love with her, I get it, shut up about it." He said.

Adrien smiled to himself.  
"Ladybug..."

Adrien thought about her, the whole night. He stayed up the whole night with a certain bug on his mind. It wouldn't stop bugging him.

The next morning, Nino stared at his new friend. "Dude, what's up with you?"

"I met the most amazing girl yesterday. She makes me feel... I feel like I've been hit by a train. I can't believe it."

"Dude, are you in love or something?" Nino asked.

"Totally." He said, very dazed.

"Okay then..." Nino said and shook his head. Somehow, his friend fell in love.

Adrien looked at Plagg. "I feel so crazy around her, like my mind is all over the place about her. I'm so in love."

Plagg rolled his eyes. "Humans and love, it's so complicated. That's why I stick to cheese."

Adrien rolled his eyes. "I don't understand you and cambembert." He looked at the clock. "It's time for my first patrol!" He shouted.

"Okay, but don'tâ€™"

"Plagg, transform me!" He said, and transformed into Chat Noir. Chat left his window and went to the park, where he and Ladybug are meeting up.

"Bonsoir, Chat Noir." Ladybug smiled at him. Her eyes were so big and blue, he felt like he could get lost in them. Even if love will kill him like Plagg said, he didn't care, as long as he could be with Ladybug.

"Salut, My Lady." He said and kissed her hand. "What do we do for patrol?"
